

# Current Issues in Sustainable Design

Mohawk Industries Showroom

2.5 AIA LU / PDH / LA CES / GBCI CE

New York City

Evening Event

August 25 2010

DPC Associates is an USGBC Education Provider committed to enhancing the ongoing professional development of the building industry and LEED Professionals through high quality education programs. As a USGBC Education Provider, DPC has agreed to abide by USGBC-established operational and educational criteria, and is subject to annual reviews and audits for quality assurance.

As approved providers for USGBC, LA CES, & AIA – we offer programs that bridge the fields of architecture, landscape architecture & engineering – all in relation to sustainability.

The presentation consists of a USGBC Level 200 program – necessary for Credential Maintenance.

Attendees to this session will be awarded 2.5 AIA LU/ HSW/ SD (Learning Units, Health, Safety & Welfare, Sustainable Design)/ 2.5 PDH (Professional Development Hours) – Contact Hours, which are accepted in all states for Registered Architects and Professional Engineers/ 2.5 LA CES, which are accepted in most states for Registered Landscape Architects/ 2.5 GBCI CE Hours, which are accepted by the Green Building Certification Institute to satisfy credential maintenance requirements for LEED APs and LEED Green Associates, as well as satisfying GBCI eligibility requirements to sit for the LEED accreditation exams.
